A. INSTRUCTIONS TO BIDDER

- Quote on factory new and latest model only.
- For each item in the specification, the YES or NO column of the specification must be completed. Answer YES only if the equipment provided will fully comply with that specification item. The bidder is to specifically point out in the submission where the minimum specification requirements may not be met. If NO, provide details of what is being offered.
- If some attachments/accessories specified are not recommended by factory/dealer mark NO and attach letter of explanation to Tender. Do not include these items in quote.
- Some features/accessories may not be available as factory options or standard equipment and must be supplied and installed by dealer separately. These costs are to be included in quote.
- Where blank spaces are provided enter the information indicated.
- Quote to include pre-delivery inspection.
- Unit is subject to inspection before acceptance by the Town of Hay River.
- The lowest or any tender may not be accepted or awarded.
- This tender is subject to Town of Hay River By-Law 1574 a portion of which is attached.
